Time For Wine
5462 56th Commerce Park
Tampa, FL 33610

Dear Charles,

I just wanted to write you a quick note to let you know how beautifully the bottles of wine that we ordered came out. They far exceeded our expectations and the recipients really enjoyed the uniqueness of the gift. From the first moment we started talking with you about the bottles until well after they were delivered you have been wonderful to work with. We appreciate the promptness of your business, the beauty and uniqueness of the workmanship, and the courteousness with which everyone has dealt with us through this transaction. We will definitely keep Time For Wine in mind for future gift ideas and will share this with everyone who will listen. Thank you so much for everything!

Sincerely,
